

We need your help!

The Policy committee for the Auburn Joint Land Use Study (JLUS) is exploring ways to improve the effectiveness of both the Maine Army National Guard Training Facility and the Mount Apatite Park Areas (i.e. ball fields, trails and quarry sites). The Committee wants to understand who uses the Mount Apatite Park Areas and for what purpose(s) as well as how park users travel to and enter the area. This short 10-question survey is designed to help the Committee and Study Team gain some insights into these questions. If you are 18 years old or older, please take a few minutes to respond to this survey: <https://www.surveymonkey.com/s/S7T9RSZ> Also, feel free to forward the survey to anyone that you know uses the area for any purpose.
